Subject: Draft Permit and TSD documents - Significant Permit Revision No. 70818 for EPNG Willcox - Concurrent 45-day EPA review
Attachments: Draft TSD 70818.docx; Draft Permit 70818.docx; Class I SPR application - EPNG Willcox.pdf

Hi Eugene,

Please find along with the draft permit and TSD documents, and the permit application for Significant Permit Revision No. 70818 for EPNG Willcox (revision to operating permit 61325) for 45-day EPA review. We request concurrent EPA review during the public notice period.

Section VII, VIII and IX are added to the current permit 61325. These Sections are in Red Font.

Public Notice begins today June 6, 2018 and will end on July 5, 2018.

If any changes are made to these documents in response to the comments received during the public participation process, we shall send you the final draft documents along with the responsiveness summary after the end of public comment period.

Company Name: EPNG Willcox Significant Permit Revision No. 70818

Below is additional information:

***PSD source, if applicable** - Not applicable

***Description:** This renewal permit is for installation and operation of a new natural gas fired combustion turbine, and a natural gas fired emergency generator at Willcox.

***New Applicable requirements**

- The new Solar turbine is subject to NSPS requirements under 40 CFR 60 Subpart KKKK.
- The new natural gas-fired emergency engine is subject to NSPS requirements under 40 CFR 60 Subpart JJJJ.
- On installation of the new compressor, the collection of fugitive emissions components at the Willcox Compressor Station will be subject to the applicable requirements for the control of greenhouse gases (GHG) under 40 CFR 60 Subpart OOOOa.

***Public Interest Level:** Minimal public interest expected

If you have any questions regarding the attached or need additional information, please let me know. If you would like to discuss any issues related to your review of this permit revision, we can schedule a conference call at your convenience.

Thanks and regards,

Vivek Kapur
